Rumble In The Park 2: Fight Results and Pics

Sun. Nov. 2, 2008

In a great night of action that started off with a little bit of sunshine and ended with a little bit of rain, Cage Combat pleased the fans again with the return of Rumble in the Park 2. The amphitheatre's location and setup and even with the bit of rain that came in towards the end of the card, the venue is still a great place to hold live MMA action.

Tully and Todd keep bringing the show back its fun, exciting and always great action.

Tony Boyles (4-4) vs. Casey Olson (10-2):

The main event of the evening was between Tony Boyles and Fresno's Casey Olson. Not much action as Casey made quick work of his opponent taking him down to the canvas and jockeying for position. [At] 2:28 into the [first] round Olson cinched in an arm triangle that forced... Boyles to tap [out]. Olson loves [the] arm triangle as that was his choice of submission in his last appearance at [the inaugural] Rumble in the Park.
