

# WEC 23: "Hot August Fights"

LEMOORE, Calif., Aug. 17, 2006 • Report by Loretta Hunt

As a local draw, [former] Fresno State wrestler **Casey "The Underdog" Olson** continues to, well, draw. As a fighter conquering his third career bout here tonight.. Olson is not progressing as much with his arsenal. That's not to say he won't.

With Chuck Liddell and others in his corner, he has the resources and it's obvious the will is there. But without the power to finish his opponent, Olson spent most of the three rounds in opponent Chris Solomon's guard looking for the ground-and-pound finish for a non-intriguing match-up.
